# GENERAL INFORMATION

This Summary of Benefits has been prepared as an informal document to summarize the main features of the benefits provided to eligible Retired Members of the Sheet Metal Workers Local Union 30 Benefit Plan (the “Plan”).

All benefits described in this Summary of Benefits and the rights thereto, are governed by the provisions of the Plan and the applicable contracts of insurance and documents, including eligibility exclusions and limitations. This document is just a summary.

Supplementary Health Care and Dental Benefits are not insured. They are self-funded and supported by the assets of the Sheet Metal Workers Local Union 30 Benefit Fund only.

Life Insurance is insured by Manulife Financial under Policy Number 901884.

The Emergency Travel Assistance benefit (ETA) is provided by Green Shield Canada (GSC) under Group Number 4932.

The Plan’s Member Assistance Program (MAP) is provided and administered by Family Services Employee Assistance Programs (FSEAP). FSEAP provides free short term confidential counseling services for crisis support, advice and information by telephone, face-to-face or online.

You may find that the Plan does not cover every expense you may wish the Plan to pay for. The Plan is established to provide the broadest range of coverage that is suitable for the membership of the Plan given the available funding. New treatments will come into the health care environment over time and the Trustees always reserve the right to cover, or not cover, any of these and to add limitations to coverage.

Subject to the limitations and exclusions of the Plan’s official documents, and as described throughout this Summary of Benefits, eligible Plan Members and their eligible dependants qualify for the following benefits:

The Plan covers retired Members, their eligible spouses and unmarried dependant children from live birth to their 22<sup>nd</sup> birthday or up to their 25<sup>th</sup> birthday, if the child is in full-time attendance at an accredited school, college or university. Everyone covered under the Plan must be a Canadian resident and covered under a provincial medicare plan.

# HOW TO SUBMIT A CLAIM

Please show your All-In-One Benefit Card to your pharmacist, dentist and other health service providers. Drug and dental claims can be submitted directly to the Plan after coordination with a provincial government health care plan or the plan of your spouse, whenever applicable. Most health care providers (chiropractors, massage therapists, physiotherapists etc.) will submit your claims electronically for you and your eligible dependants.

You may also self-submit your health claims online through Green Shield Canada (GSC) Member Online Services. It is strongly recommended that you register for online claims through the link to GSC Member Online Services from the Sheet Metal Local Union 30 Plans' Member website [www.lu30plan.com](http://www.lu30plan.com). This will ensure that you are reimbursed for out of pocket claims quickly.

Members may be asked to submit their receipts to the Plan Administration Office for claims submitted electronically. You must retain your receipts for 13 months.

If you have any questions regarding registering for GSC's Member Online Services or need any help with submitting claims using your All-In-One Benefit Card, please contact the Plan Administration Office.
