December 2021

IMPORTANT NOTICE TO MEMBERS ABOUT IMPROVEMENTS TO YOUR BENEFIT PLAN AND OTHER IMPORTANT NEWS

The Trustees are pleased to announce the following benefit improvements and other news:

2022 ALLOCATION OF \$500 TO HEALTH CARE SPENDING ACCOUNTS (HCSA)

The Trustees are happy to report that the HCSA will continue for 2022.

On January 1, 2022, an allocation of **\$500** will be deposited to the HCSA of:

- all active Plan members in Good Standing with the Union who are covered under the Benefit Plan as of January 1, 2022; and
- all retired Plan members in Good Standing with the Union who are covered under Plan A or Plan B as of January 1, 2022.

Expenses that can be paid from your HCSA are:

- Those that qualify for the medical expense tax credit under Canada Ontario Revenue Agency (CRA) Income Tax guidelines;
- The portion of medical expenses not paid by the Benefit Plan such as Ontario Drug Benefit (ODB) and other deductibles, co-insurance amounts and dispensing fees.

If you qualify, the 2022 allocation of \$500 will be added to your HCSA in January 2022. The January 2022 allocation will be available for you to use until December 31, 2023. Any

money left over from 2022's \$500 allocation at the end of 2023 is forfeited and returned to the Benefit Fund in compliance with the Income Tax Act.

The table below shows how the HCSA works:

Year of Allocation to the Health Care Spending Account	Health Care Spending Account Allocation	Last Day the Health Care Spending Account Allocation for the year is available
2020	\$650	December 31, 2021
2021	\$650	December 31, 2022
2022	\$500	December 31, 2023

While the Trustees anticipate the HCSA benefit will continue, it is important that members understand this may not be a permanent benefit. On a regular basis, the Trustees determine if future allocations can be made to the HCSA. Their decision is based on the Benefit Fund's financial results, overall claims experience and the expected future cost of benefits. The long-term financial stability and sustainability of the Benefit Plan are of primary importance.

You should submit your HCSA claims online to reduce the time it takes to process your claim.

MONTHLY DOLLAR BANK DRAWDOWN FOR ACTIVE MEMBERS

The amount of the monthly dollar bank drawdown for Benefit Plan coverage will increase effective January 1, 2022 from \$420.00 per month to \$437.20 per month.

DENTAL BENEFIT – RETIRED MEMBERS

Effective with claims incurred on/after January 1, 2021 the annual dental maximum for retired Members and eligible dependants enrolled in the dental plan increased from \$1,000 to \$1,500 per calendar year for basic and major services combined.

DENTAL BENEFIT

Eligible dental expenses incurred on and after January 1, 2022 will be reimbursed on the basis of the 2021 Ontario Dental Association (ODA) Suggested Fee Guide for General Practitioners.

The Plan will pay for the new Ontario Dental Association dental codes anticipated for personal protective equipment (PPE).

MATERNITY LEAVE BENEFITS - REMINDER

Effective January 1, 2019, the Plan's disability benefit coverage included a maternity leave benefit. The benefit is available to women who are laid off work prior to their due date because of pregnancy. The benefit will help to bridge the gap before regular Employment Insurance (EI) maternity and parental leave benefits begin. The benefit is intended to be a special benefit and not to interfere with EI maternity and parental leave benefits. The maximum benefit period provided by the Plan is four weeks. The maximum benefit is the EI declared maximum weekly disability benefit. The Plan's benefit is taxable.

ADDITIONAL BENEFIT FOR MATERNITY LEAVES - REMINDER

Effective January 1, 2021, the Plan introduced a maternity leave top up benefit. This benefit will provide a top up to the Employment Insurance (EI) maternity benefit. The maximum benefit is \$100 per week for 52 weeks.

This benefit is available to female Plan members. To qualify for this benefit, the member must be receiving the EI maternity benefit. The Plan's benefit is payable only when the person is receiving the EI maternity benefit.

The Plan member must provide proof of receipt of the EI maternity benefit. This benefit will not interfere with EI maternity and parental leave benefits. The benefit is taxable.

Please contact the Plan Administration Office for further eligibility and benefit details.

MEMBER ASSISTANCE PROGRAM (MAP) Now we're talking.

It's no secret that COVID-19 and other stresses have made things difficult to cope with. The Plan's Member Assistance Program can help.

The Member Assistance Program is administered by Family Services Employee Assistance Programs (FSEAP). FSEAP provides 24/7 free confidential counselling services for crisis support, advice and information by telephone, face-to-face or online. FSEAP provides assistance for a broad range of personal and work-related issues including: personal/job stress, relationship issues, depression/anxiety, eldercare/childcare, addictions, teen hotline, divorce, parenting, financial/legal issues, nutritional counselling, smoking cessation, life coaching and much more.

FSEAP has updated its website to provide more information on services and how to access services. The FSEAP website is www.myfseap.ca. Groupname: tosmwiamap Password: myfseap1 The toll free number is 1-800-668-9920.

MENTAL HEALTH BENEFIT - REMINDER

Effective January 1, 2020, the Plan provided enhanced mental health benefits.

Registered psychologists, registered psychotherapists, psychiatrists, registered social workers (Master of Social Work) are covered. The Plan pays 100% of reasonable and customary (R&C) charges for the listed practitioners up to a maximum of \$200 per hour and subject to a combined \$2,000 maximum benefit per person per calendar year.

If applicable, additional costs may be paid through the Plan's Health Care Spending Account (HCSA).

To make the most of your Plan's mental health benefit, members are urged to fully utilize the Plan's FSEAP benefit (see above) first because that service is free to members and is not included as part of the annual maximum benefit for mental health services. If additional mental health treatment is required after utilizing the services of FSEAP, then the mental health benefit coverage of the Plan could be utilized.

RETIRED MEMBER BENEFIT PLAN PAY DIRECT

The amount retired members pay for health benefits is:

Effective Date	January 1, 2018	January 1, 2019	January 1, 2020	January 1, 2021	January 1, 2022
Plan A	\$98.77	\$98.77	\$98.77	\$98.77	\$109.64

Please note that Retirees pay the applicable premium or retail tax assessed by the government on the above amounts. In Ontario this is 8%.

FILING CLAIMS ELECTRONICALLY

Claims must be filed by your medical/dental services provider at point of sale. Your providers can easily register for e-filing with the Plan. Most providers will e-file a claim for you to save your time.

If your provider won't provide an e-filing service you must file your claim electronically. Filing claims electronically provides for fast payment of your claims. If you need help with your electronic submission or have not registered for electronic payment with the Plan's electronic claims payment provider, please contact the payment support team for complete assistance at: 1-888-711-1119.

CLAIM PAYMENTS BY DIRECT DEPOSIT

When you file your claim electronically, your payment will be made by direct deposit. Direct deposit is now the only payment method used by the Plan. Direct deposit enhances the security of payments, shortens processing time, and reduces the cost of processing claims including mail costs.
