GENERAL INFORMATION

This Summary of Benefits has been prepared as an informal document to summarize the main features of the benefits provided to eligible Retired Members of the Sheet Metal Workers Local Union 30 Benefit Plan (the “Plan”).

All benefits described in this Summary of Benefits and the rights thereto are governed by the provisions of the Plan and the applicable contracts of insurance and documents, including eligibility exclusions and limitations. This document is just a summary.

Supplementary Health Care and Dental benefits are not insured. They are self-funded and supported by the assets of the Sheet Metal Workers Local Union 30 Benefit Fund only.

Life Insurance is insured by Manulife Financial under Policy Number 901884.

The Emergency Travel Assistance benefit (ETA) is provided by Green Shield Canada (GSC) under Group Number 7034.

You may find that the Plan does not cover every expense you may wish the Plan to pay for. The Plan is established to provide the broadest range of coverage that is suitable for the membership of the Plan given the available funding. New drugs and treatments will come into the health care environment over time and the Trustees always reserve the right to cover, or not cover, any of these and to add limitations to coverage.

Subject to the limitations and exclusions of the Plan’s official documents, and as described throughout this Summary of Benefits, eligible Plan Members and their eligible dependants qualify for the following benefits:

The Plan covers retired Members, their eligible spouses and unmarried dependant children from live birth to their 22nd birthday or up to their 25th birthday, if the child is in full-time attendance at an accredited school, college or university. Everyone covered under the Plan must be a Canadian resident and covered under a provincial medicare plan.

Note: Retired Members living in Ontario are required to pay Ontario’s Retail Sales Tax (RST) which is currently 8% on their contributions. Other provinces may have a similar tax that will be charged as applicable. The amount payable to the Plan for benefits is subject to change.

Union Membership in Good Standing

Members covered under this Plan must be and remain Members in good standing of Sheet Metal Workers Local Union 30 (the “Union”). The Union is the sole decision maker of the status of membership in good standing.
