SHEET METAL WORKERS LOCAL UNION 30 PENSION PLAN

MONTHLY PENSION APPLICATION CHECK LIST

Before the Administrator can process your Application, there are several things that are required of you, namely:

1. You must provide solid evidence of your Date of Birth. Normally, this would be a photocopy of your Birth Certificate or Baptismal Certificate. If these are not obtainable, the Administrator may accept other evidence, as set out in the Pension Booklet under "Applying for Benefits". If you have a Spouse, who is not prepared to waive his/her entitlement to a Survivor Pension, then you must also provide the same solid evidence of her/his Date of Birth.
2. You must declare whether you have a Spouse at the time your Pension starts, because your Spouse has a legal right to receive at least 60% of your Monthly Pension should you retire and die before your Spouse. More information is in the Pension Booklet.
3. If you and your Spouse agree to waive your Spouse's right to receive a part of your Monthly Pension, this Application includes that Waiver, *which must be received by the Administrator before your Monthly Pension starts.*
4. The only Optional Form of Monthly Pension available to you, if you have a Spouse who has not waived her/his right to a Survivor Pension, is a 100% Survivor Pension, which is explained in this Application. If you are choosing this Option, you must also provide evidence of your Spouse's Date of Birth.
5. If you are applying for a Disability Pension, you must supply evidence, provided by your attending physician, regarding the nature and degree of your disability, as well as the information set out above respecting your Spouse and date(s) of birth. Disability Pensions are paid only to Members in Good Standing of Local Union 30.
6. Please remember that the Administrator cannot calculate the amount of Monthly Pension due to you until your last Contributing Employer submits the Contribution Report covering the last month you worked. These Reports are due in the Administrator's Office by the 20th day of the calendar month following the last month you worked; but if your last Employer is late in submitting that Contribution Report, the Administrator will be equally delayed in processing your Monthly Pension.
7. The Pension Plan offers several Options to you, depending upon whether you have a Spouse. Before submitting this Application, you should consider very carefully the manner in which you wish to receive your Pension, *since there can be no change after the start of your Monthly Pension.*
8. Monthly Pensions will be paid by Direct Deposit, such that they are transferred electronically on the first banking day of every month to the account you keep at a financial institution. You must complete the Form herein entitled "Direction for Direct Deposit".
9. This Application must be presented to an Officer of Local Union 30, for completion of the Certification at the end of the Application. The Administrator cannot process your Application unless and until the Certification is completed.
10. If the amount of Monthly Pension due to you is less than 4% of the Year's Maximum Pensionable Earnings (YMPE) or if the Commuted Value of your Monthly Pension is less than 20% of the YMPE in the year of your termination, the Trustees reserve the right to pay you the Commuted Value of your Monthly Pension in a Lump Sum, in order to reduce the Pension Fund's administrative expenses.
11. **The Normal Retirement Age of this Pension Plan is 63, at which time full and unreduced Pensions are payable. The Plan pays Pensions as early as Age 53 on a reduced basis as more particularly set out in the Pension Booklet. The amount of Pension, to which you are entitled, will be reduced by ½ of 1% for each month (6% per year) of retirement in advance of your Age 63. If the effective date of your Monthly Pension is before your Age 63, you must complete the attached Plan Member's Certification in which you confirm that you are permanently ceasing any employment within the Jurisdiction of the Sheet Metal International Association, as set out in the Constitution. If you perform any work within that Jurisdiction, after your retirement and prior to your Age 63, your Monthly Pension will be affected, as set out in the Pension Booklet.**

AMOUNT OF MONTHLY PENSION

In the Spring of each year, the Administrator forwards to every Pension Plan Member a Statement of Earned Monthly Pension, as at the prior December 31st. When you retire, the amount of Monthly Pension payable to you will be the amount you earned to the prior December 31st, plus the amount earned by you in the year you retire. The amount of Monthly Pension expressed in the Annual Statement is known as the **Normal Form of Monthly Pension**, and means one of the following:

1. **Life, 60% Survivor Pension:** If you have a Spouse upon your retirement, and she/he has not waived the right to a Survivor Pension, then the amount of Monthly Pension due to you will be paid as long as you live. In the event of your death before your Spouse, then your Spouse will receive 60% of the amount you were receiving, and that will be paid for the balance of her/his lifetime; or
2. **Life, Guaranteed 10 Years:** If you do not have a Spouse upon your retirement, or your Spouse has waived the right to a Survivor Pension, then the amount of Monthly Pension will be paid to you as long as you live. In the event of your death before you have received 120 payments of Monthly Pension, then the balance will be paid to your Beneficiary until 120 payments, in all, have been made.

You do not have to take your Monthly Pension in the above-described Normal Form. Please read the section, below, on Pension Options, as you may find something more suitable.

PENSION OPTIONS

Your ability to select an Option will be governed by whether you have a Spouse and, if so, whether your Spouse has waived her/his right to a Survivor Pension.

If you have a Spouse, and she/he has not waived the right to a Survivor Pension, then, in addition to the Life, 60% Survivor Pension, only the following Option is available:

100% Survivor Pension: Under this Option, the Administrator will calculate your Monthly Pension, and pay that amount to you as long as you live. Upon your death, if your Spouse survives you, then exactly the same amount will be paid to your Spouse for her/his remaining lifetime. Choosing this Option will mean that your Monthly Pension is **lower** than the Normal Form of Monthly Pension, due to the **higher** amount that you have provided for your Spouse.

If you do not have a Spouse, or your Spouse has waived the right to a Survivor Pension, then, in addition to the Life, Guaranteed 10 Years, you have three available Options, namely:

Life, Only: Under this Option, the amount of Monthly Pension is payable to you for as long as you live, and ceases upon your death. If you choose this Option, the amount of Monthly Pension will be **higher** than the Normal Form, because you have given up the guarantee of a minimum of 120 payments of Monthly Pension.

Life, Guaranteed Five Years: If you choose this Option, the amount of Monthly Pension will be payable to you as long as you live. In the event of your death before having received 60 payments of Monthly Pension, the balance will be paid to your Beneficiary. The amount of Monthly Pension payable to you will be **higher** than the Normal Form because the guarantee has been reduced from 120 to 60 payments of Monthly Pension.

Early, Integrated: It is possible that you are entitled to receive Old Age Security when you reach Age 65. If you are retiring before Age 65, you may wish to have your Pension paid to you under this Option so that you receive a **higher** amount than the Normal Form from the date you retire until you attain Age 65, and then a **lower** amount for the remainder of your lifetime, so that (more or less) you are receiving a level amount pension income from this Pension Plan and Old Age Security from the date you retire until your death. The Administrator can complete this calculation for you, to estimate the two amounts payable by this Pension Plan before and after your 65th birthday. These calculations will be based upon your Age when you retire and the maximum amount of Old Age Security being paid at the time you retire. You should verify your eligibility for the Old Age Security benefit if considering this Option. Under this Option, your Monthly Pension ceases upon your death.
